2019-2020 High School Completion Status Verification Requirements

You have been selected for a process called “Verification” and we are required by federal law to request certain documents to be able to review your application for financial aid.

Please remember to list the student ID on all correspondence to the Financial Aid Office.

Provide one of the following documents to indicate the student’s high school completion status when the student begins college in 2019–2020:

- A copy of the student’s high school diploma.
- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A state certificate or transcript received by a student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- For a student who was homeschooled in a state where state law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a student who was homeschooled in a state where state law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

A student who is unable to obtain the documentation listed above must contact the financial aid office.
