

Dear Ferrum Students,

A **Papa John's** restaurant is coming to the Food Court in Franklin Hall! We just received this tremendous news and anticipate the grand opening early in the 2009 Fall Semester. Even better, the Food Services staff plans to deliver pizza and other **Papa John's** menu items direct to campus residence halls!

This new **Papa John's** dining option, Like **Subway**, will be included as part of your student meal plans. We are offering all students who purchase the **residential** meal plan the opportunity to select "**Meal Plan PJ**," at an additional cost of \$50.00 per semester compared to our standard plans. And as an introductory promotion, if you select **Meal Plan PJ** prior to the first day of fall semester, August 31, 2009, you'll receive an additional **\$10.00** in **Dining Dollars at no cost!!**

**Meal Plan PJ** will include the following:

~15 Meals per week in the Dining Hall

~\$200 per semester in **Dining Dollars** that can be used at **Papa John's**, **Subway** or in the **Dining Hall** (\$50 more than our standard plans)
