Certificate Program \_\_\_\_\_

When you change your program of study, you must change to a new advisor in that field (unless you are a first-semester freshman\*\*\*). If you would like to request a particular advisor, please write faculty member's name in the space below. **If the requested advisor has a full load, you will be assigned to another available advisor in your major.**

New Advisor Requested: \_\_\_\_\_

\*Required fields must be filled out before this request can be processed.

\*\* According to the Ferrum College Catalog, students who change their program of study must meet the requirements in the current year's catalog. This means that students who decide to change their academic program after their first year of enrollment will no longer be able to follow the catalog that was in effect when they began at Ferrum.

\*\*\* First-semester freshmen will remain with the GWS 101 instructor as advisor.
