YES  NO

I authorize the Financial Aid Office at Ferrum College to forward my request for the PLUS Loan to the Department of Education (DOE), or its agent to investigate my credit record to determine my eligibility for a Federal PLUS Loan and report information concerning my credit status to proper persons and organizations. I understand that my request for credit approval does not guarantee eligibility for a Federal PLUS Loan nor does it qualify as a complete application for a PLUS Loan. A completed PLUS Loan Master Promissory Note must be submitted to the DOE within 60 days of the date of credit approval. I understand that the Financial Aid Office is not liable for credit decisions and my credit, if approved, will expire within 180 days if the process is not completed in full. If credit expires, I authorize the Financial Aid Office to resubmit my request for a Federal PLUS Loan to review credit at that time. I also understand that requesting the maximum amount of loan dollars may not cover my student's entire student account balance. If any balance remains I understand that the student is responsible for payment of the account.

I consent to the U.S. Department of Education and its agents obtaining a report of my credit record and using the information for that report in determining whether to make a Direct PLUS Loan to me. I understand that I will be notified, in writing, of the results of the credit check with respect to my loan application.
