

OFFICE OF FINANCIAL AID

2022-2023 Dependent Verification Worksheet

Your application was selected for review in a process called “Verification.” In this process, your school will be comparing information from the FAFSA application with copies of you and your parent(s)’ **2020** Federal Signed Tax Returns/tax transcripts, or with W-2 forms and/or other financial documents. This process is required to receive Federal Student Aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR). Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won’t be delayed. Your financial aid administrator will help you.

What You Should Do

1. Collect you and your parent(s)’ financial documents (Federal **2020** IRS Signed Tax Returns or Tax Transcript(s), W-2 forms, etc.).
2. Complete and sign the worksheet—you and a parent whose income is listed on your FAFSA.
3. Submit the completed worksheet, tax forms (IRS Signed Taxes or Transcript, W2 Forms), and any other documents your school requests to your Financial Aid Office.
4. Your financial aid administrator will compare information on this worksheet and any supporting documents with the information you submitted on your application. You or your school may need to make corrections electronically or by using your SAR.
5. If you need additional space for any section, please attach a separate sheet.
6. Submit this completed form and all other requested documents to: Financial Aid Office PO Box 1000 Ferrum, VA 24088 or fax to (540) 365-4266
