

**FERRUM COLLEGE** is offering variety of online courses through the College Consortium, a network of accredited colleges and universities that share online course offerings. The course equivalencies below indicate approved online College Consortium courses and the Ferrum College equivalent. The varying sessions within multiple terms reflect Ferrum College's commitment to ensuring students have access to the courses they need to complete their degree. The consortium courses also provide students with the opportunity to get ahead in coursework or to repeat a course to improve their grade point average. It is important to note that a College Consortium course will affect your grade-point average just like a Ferrum College course.

If you would like to take an online course, simply login to <https://www.collegeconsortium.org/institutions/ferrum-college/> with your student email address and filter by Term to see the current list of available courses.
