

Degree Transfer Options for Students in the Virginia Community College System

Degree Transfer Option for the **FERRUM COLLEGE B.S. DEGREE IN TEACHER EDUCATION: HEALTH AND PHYSICAL EDUCATION (PreK-12)**

When a student who has graduated under the Guaranteed Admissions Agreement from a Virginia Community College with an Associate of Arts degree, an Associate of Science degree, or an Associate of Arts and Sciences degree, transfers into Ferrum College, Ferrum College agrees that the student has satisfied the Liberal Arts course requirements portion of its graduation prerequisites. This agreement requires the student to have earned a grade of “C” or higher in courses applicable to the transfer-oriented degree program, have earned a minimum of 60 transferable credits, and hold an overall cumulative GPA of 2.0 or higher prior to enrollment at Ferrum College. If the student has not had a 3-credit Bible-based course as part of the Associate degree curriculum, then Ferrum College will require that the student successfully complete REL 111, 112, 113, or PHI 131. The student must satisfy all other graduation requirements including writing intensive, speaking intensive, E-Term, and experiential learning requirements. **The Ferrum Promise** applies to this major for qualifying students who have earned the appropriate associate degree as well as a minimum cumulative GPA of 2.3.

Additional Community College courses to take and the transfer equivalencies in the **FERRUM COLLEGE B.S. DEGREE IN TEACHER EDUCATION: Health & Physical Ed**

In conjunction with the completion of the Associate degree (excluding Applied Science degree), courses below should be completed with a grade of C or higher in order to meet requirements for the B.S. in Teacher Education Health and Physical Education (PreK-12) Education. The Four Semester Plan included on page 2 provides the remaining requirements to complete the Ferrum College B.S. in Teacher Education Health and Physical Education (PreK-12). If the courses below are not taken, additional credit hours may be needed during each of the semesters while enrolled at Ferrum College.
